RC3 UI Design

UI Design // Content Page // CCC Event

In Progress

The content page for a curated event features a dark purple header with a white 'RCB' logo icon. Below the header is a navigation bar with 'World', 'Platform', and 'Wiki' buttons, a search bar, and language selection for 'Low', 'High', 'English', and 'Deutsch'. The main title 'CURATED EVENT' is displayed in large, bold, blue letters. Below it is a 'EVENT OVERVIEW' section containing a timer showing '00:00:00' and a 'Event Information' table with fields for TIME, SPEAKERS, TRACK, LANGUAGE, and LINKS. At the bottom are 'Report', 'Share', '+ Favorites', and '+ Schedule' buttons.

The right-hand side panel shows a detailed view of the 'CURATED EVENT' content. It includes an 'EVENT OVERVIEW' section with a timer at '00:00:00' and a table for 'Event Information' with fields for TIME (12/21/2019, 8:00 - 12/21/2019, 8:30 [0:30]), SPEAKERS (Speaker Name, Speaker Name), TRACK (Track Name), LANGUAGE (deutsch / fsk:all), and LINKS (External Link, External File). Below this are 'Report', 'Share', '+ Favorites', and '+ Schedule' buttons. Further down are sections for 'MARKDOWN MODULE' (with a table of contents for MARKDOWN MODULE ITEM 1 through 6) and 'TAGS' (with categories like TAG1, TAG2, and TAG3). The 'EXTERNAL RESSOURCES' section lists three items: 'EXTERNAL LINK', 'EXTERNAL LINK', and 'EXTERNAL FILE'. At the bottom is a 'RECOMMENDATIONS' section showing five recommended event tracks.

UI Design // Assembly Event

In Progress

The UI design features a dark background with cyan and yellow accents. At the top, there's a navigation bar with the RCB logo, a search bar, and links for "World", "Platform", and "Wiki". On the right side of the header are buttons for "Logout", "My Plan", "English", and "Deutsch". Below the header, the main area has a large "PAGE TITLE" section. To the left of the title is a decorative graphic of overlapping teal and yellow rectangles. The main content area is titled "EVENT OVERVIEW". It contains a large yellow box for "EVENT STARTS IN 00:00:00" with a green wavy background image. To the right is a table for "Event Information" with rows for TIME, SPEAKERS, TRACK, LANGUAGE, and LINKS, each with a corresponding input field. At the bottom of the overview section are buttons for "Report", "Share", "+ Favorites", and "+ Schedule".

The light-themed version of the UI has a white background with cyan and yellow accents. The top navigation bar includes the RCB logo, "World", "Platform", and "Wiki" links, along with a search bar. On the right are "Logout", "My Plan", "English", and "Deutsch" buttons. The "PAGE TITLE" section is at the top. Below it is the "EVENT OVERVIEW" section, which is identical to the dark version. To the right of the overview are several modules: "MARKDOWN MODULE" (with a table of contents), "TAGS" (listing tags like TRAILER, LONGER TRAILER, VERY LONG, LOREM, etc.), "EXTERNAL RESSOURCES" (listing external links and files), and "RECOMMENDATIONS" (a grid of five recommended items). The overall layout is clean and organized.

UI Design // Wiki

In Progress

The screenshot shows a dark-themed user interface. At the top left is the RC3 logo. To its right is a horizontal navigation bar with three red buttons labeled "World", "Platform", and "Wiki". Below this is a red "Search Bar" button. On the far right of the header are several small buttons: a purple rocket icon, "Fahr Plan" (with "Low" and "High" sub-options), "Logout", "My Plan" (with "English" and "Deutsch" sub-options), and a gear icon. The main content area features a large white "PAGE TITLE" heading. Below it is a "MARKDOWN MODULE" section containing a "Table of Contents" table with six items. A red-bordered box highlights the first item. At the bottom of the page is a "Heading3" section with some descriptive text.

LCUSMUSIUM

This screenshot shows a similar dark-themed interface. The header includes the RC3 logo, a search bar, and navigation buttons for "World", "Platform", and "Wiki". The main content area has a "PAGE TITLE" and a "MARKDOWN MODULE" section. The "MARKDOWN MODULE" contains a "Table of Contents" table with six items, one of which is highlighted with a red border. Below it is a "Heading3" section with some text. At the bottom are "TAGS" and "EXTERNAL RESOURCES" sections, each with a table of items. A footer at the very bottom includes links for "ABOUT US", "PRIVACY POLICY", "CONTACT US", and "DISCLAIMER".

UI Design // 2D World

In Progress

The screenshot shows the homepage of the 2D World application. On the left is the RC3 logo. At the top right are three main navigation buttons: "World" (pink), "Platform" (purple), and "Wiki" (light blue). Below them is a "Search Bar" (purple). On the far right is a user menu with a profile icon, "Logout", and language options "English" and "Deutsch". The central area features a large "PAGE TITLE" in a stylized font. Below it is a "2D WORLD INTRODUCTION" section with a question "What is the 2D world about?" and a long paragraph of placeholder text.

PAGE TITLE

2D WORLD INTRODUCTION

What is the 2D world about?

Nisl nullam rutrum sapien id justo, iacus vivamus nisl habitasse. Odio nisl at molestie libero. Massa nibh condimentum semper lacus, et ut tincidunt. Dui sit id velit placerat phasellus mi. Vestibulum iaculis tristique nisi porta fringilla lectus viverra. Viverra bibendum amet egestas. Massa nibh condimentum semper lacus, et ut tincidunt. Dui sit id velit placerat phasellus mi. Massa nibh condimentum semper lacus, et ut tincidunt. Dui sit id velit placerat phasellus mi.

The screenshot shows the "2D WORLD INTRODUCTION" page. It features a large image of three stylized rocket ships in purple, pink, and blue launching upwards. Below the image is a button labeled "Enter 2D World". At the bottom of the page are footer links: "CONTACT US", "PRIVACY POLICY", "ABOUT RC3", and "DISCLAIMERS".

WHITE SPACE (MARGINS & PADDING):

Margins and Spacings: 8px is the basis for the spaces. So use always a multiple of 8 for margins and paddings (e.g 4,8,16,24,...,72,...)

UI Buttons

There is a primary and secondary button styling for each color scheme. Use the background color of each theme as border color.
